

Superhuman (Kosling Edit)

Thomas Gold

We're all born superhuman
All these scars show our strengths and weaknesses
We are put here for a reason
Dealt these cards, we chase the rule of happiness

I want you to know
No matter where you go
When you're feeling low
Hold you close
Out in the cold
I want you to know
We are we are
Superhuman

We are we are
Superhuman

We are we are
Superhuman

We are we are
Superhuman

Staring down at imperfections
We're filled with regrets and these empty promises

I want you to know
No matter where you go
When you're feeling low
Hold you close
Out in the cold
I want you to know
We are we are
Superhuman

We are we are
Superhuman

We are we are
Superhuman

We are we are
Superhuman

We are we are
Superhuman
