

Survive

Thomas Gold

What would it take for you to stay here?
And baby please don't dig a grave
We talk about it everyday
Oh, we're throwing all our love away

On and on and on did you keep messing with my mind
On and on and on
On and on and on if I'm just to stay alive
On and on and on

I will survive
I will survive
I will survive

What will it take for you to know?
That I'm already on the road
We topping that nothing seems to change
No, I'm not the only one to break

I will survive
I will survive
I will survive

I will survive
(I will survive)
I (I will survive)
Ooh

On and on and on did you keep messing with my mind
On and on and on
On and on and on if I'm just to stay alive
On and on and on

I will survive
I will survive
I will survive
