

# Yesterday

Thomas Gold

Watching your car pull out of the driveway  
Your face in the rearview  
And tears in your, tears in your eyes  
Looks like I really fucked it up this time  
And I don't even know why I get this way

If I did you better baby  
We'd still be together, but I  
Let you down, why did I let you down

I wish that you were by my side cause here's where you belong  
But it's too late to change the things I did to make you numb  
And even if it kills me baby I'll keep holding on  
Cause maybe one day you can love me  
Love me like you loved me yesterday

Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday

Watching your car pull out of the driveway  
Your face in the rearview  
And tears in your, tears in your eyes  
Looks like I really fucked it up this time  
And I don't even know why I get this way

If I did you better baby  
We'd still be together, but I  
Let you down, why did I let you down

I wish that you were by my side cause here's where you belong  
But it's too late to change the things I did to make you numb  
And even if it kills me baby I'll keep holding on  
Cause maybe one day you can love me  
Love me like you loved me yesterday

Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday  
Love me, love me like you loved me yesterday
