

## carry on

Thomas Headon

It's kinda hard, to say goodbye  
When you're silent  
You'll find it hard, to never cry  
When you're thinking about it  
I'll make you a cup of tea when you're home  
I don't want, to talk about it on the phone

So carry on my love, I'll be there for you  
Oh when you need me to  
So carry on my love, I'll be there for you  
Not when you want me to  
But when you need, not when you want me to  
When you need not, when you want me to

It's easier to put the blame on someone when you're sad  
But try not to break another heart 'cause you're mad  
Someday the time will come  
And you know that 'cause I've already put it in a song but  
I hope you know that I'm only a phone call away

So carry on my love, I'll be there for you  
Oh when you need me to  
Carry on my love, I'll be there for you  
Not when you want me to  
But when you need, not when you want me to  
When you need not, when you want me to

And when you need me, I'll be there for you  
And when you need me, I'll be there for you
