

Georgia

Thomas Headon

It's not her name but it's still a state
I've never tried to act as straight
Than talking to her
It's been alright
I wouldn't say that she's got good taste
She always hates the guy she's dating
Oh look at her
She's that type

But she's so sweet
And she's so good
But I won't ever be in her neck of the woods
Down in Georgia (Down in Georgia)
Down in Georgia (Down in Georgia)
Yeah she's so nice
And looks so good
I would see her only if I could
Down in Georgia (Down in Georgia)
Down in Georgia
Georgia's where I should be

I always wonder if she'll text me back
She's almost giving me a heart attack
I'm falling for her
But how could I not?
I'm tempted just to get on a plane
Anything just to see her face
Oh I want her, I want her, I want her
With me now
And everybody knows that

She's so sweet
And she's so good
But I won't ever be in her neck of the woods
Down in Georgia (Down in Georgia)
Down in Georgia (Down in Georgia)
Yeah she's so nice
And looks so good
I would see her only if I could
Down in Georgia (Down in Georgia)
Down in Georgia
Georgia's where I should be

(Down, down in Georgia)
(Down, down in Georgia)
(Down, down in Georgia)
(Down, down in Georgia)

(Down, down in Georgia)
(Down, down in Georgia)
(Down, down in Georgia)
(Down, down)

But she's so sweet
And she's so good
But I won't ever be in her neck of the woods
Down in Georgia (Down in Georgia)

Down in Georgia (Down in Georgia)
Yeah she's so nice
And looks so good
I would see her only if I could
Down in Georgia (Down in Georgia)
Down in Georgia
Georgia's where I should be
