

Her

Thomas Headon

Am I allowed to care if I am looking at someone else?
And is it too wrong to like the fact she looks she's doing well
?

Though we haven't spoken in a little while
It's clear how I could've fell in love
And though I seem preoccupied
I'll always have the time for her

No, I shouldn't write it down
But I don't know how to say
Every time we cross paths
You make me feel some sort of way

And though some things have changed in the meantime
It's clear why I wanted to fall in love
And though I seem preoccupied
I'll always have the time for her

And when the days have passed
And the time, it doesn't come
I hope she knows I'm here
And I'll wait until it does
