

Nobody Has To Know

Thomas Headon

We're making out on your sofa
I've been single for like 2 days
You should come here more often
She told me while she's taking my clothes away

I've got so much emotional shit on my mind
And it feels good to have you only just for the night
I said, we should do this again soon
I wanna do it again with you

And maybe this could be our thing for a while
Where we never fall in love but we do it all the time
She said, you wanna do this again too?
I wanna do it again too

And nobody has to know
That I'm here all the time I could just sneak in at night
Cause nobody thinks that I know you though
So I could be here tonight or you could come to mine
And nobody has to know ow ow ow ow

We took the keys to your dad's car
And she got in wearing only her jeans
We narrowly avoided a police car, now we're not far
From my house 'cause she said "that better be where you're taking me"

She put her hands through my hair and it felt like time
I took position in the bed cause she's mine for the night
She said, we can do what you wanna do
It's good to finally get you

And I know that it's wrong but it feels so right
We were friends for a minute now she's staying at mine
I said, you wanna come here again soon?
Said I wanna come here again too

And nobody has to know
That I'm here all the time I could just sneak in at night
Cause nobody thinks that I know you though
So I could be here tonight or you could come to mine
And nobody has to know ow ow ow ow

Nobody has to know ow ow ow ow
Nobody has to know ow ow ow ow
Nobody has to know ow ow ow ow
