

## En-Route (Interlude)

Thomston

Baby when it feels  
Oh baby when it feels  
Oh baby when it feels mmmmm  
Baby when it feels like the world has it out for me  
Feels like the world out for me  
Oh baby when it feels like the world has it out for me  
Feels like the world out for me  
Oh baby when it feels like the world has it out for me  
You're my little piece of Los Angeles  
Oh you're my little piece of Los Angeles

Yeah  
Yeah
