Outside The Line

Thornley

One day, maybe, we both can get it right
And I know you won't go down without a fight

Sometimes, you gotta step outside the line
Sometimes, step outside the line
Just to see what I find

With understanding, we're both gonna turn out fine
I know some things go down with no reason or rhyme

Sometimes, I'll step outside the line
Sometimes, step outside the line
Just to see what I find
See what I find
See what I find

Maybe, baby, it's not so black and white
Who knows, who cares who's wrong or right?

Sometimes, I gotta step outside the line
Sometimes, step outside the line
Just to see what I find
See what I find
See what I find
