

Breakaway

Those Damn Crows

Departed, we started
All the fear of the brokenhearted
I matter? I'm flattered!
Tainted glasses are about to shatter

Set in my ways
Set in my ways
Set in my ways

'Cause I'm making a stand
'Cause divided we fall
You think you're in with a chance?
Yeah, there's no chance at all
Yeah, it's time to breakaway

X-rated, translated
Look what money and the world's created
Fake lashes, sweet assets
Watch your money burn, you're left with ashes

Say it to me one more time
Say it like you mean it, don't lie
Say it to me one more time
I dare you to say it to me one more time

'Cause I'm making a stand
'Cause divided we fall
You think you're in with a chance?
Yeah, there's no chance at all
You gotta try and understand
Writing's there on the wall
I gave you everything, you had your shot
Say goodbye to it all
Yeah, it's time to breakaway

Head start, black heart
Think smart, new start
Mistake, heart's fake
Clean break, forsake
Breakaway

'Cause I'm making a stand
'Cause divided we fall
You think you're in with a chance?
Yeah, there's no chance at all
You gotta try and understand
Writing's there on the wall
I gave you everything you had your shot
Say goodbye to it all
Yeah, it's time to walk!
