

# Devil In My Pocket

Those Damn Crows

Race you to the turnstile  
Chaos leads the way  
Searching for the blue sky  
Hides behind the grey  
Sleeping in this cage, you better run before you lock it  
Hear my plea, insanity, the devil's in my pocket, c'mon... yeah

You? Me? Seem a little tongue-tied  
Step aside and let me show you how I play this game  
You do exactly what you're supposed to  
But you will see, when you're with me  
You gotta live for tonight

Tonight... I'm bad  
I'm all you have  
Follow me, my voice, my way  
Hey now, jump on board  
I am the doctor, put you back on course  
Now say, repeat after me... I'm not a saint!  
The devil's in my pocket!

You? Me? Bottom of the front nine  
All hell breaks loose, let the fun begin  
Ignite, set fire to the rocket  
Heading down the rabbit hole and there's no way to stop it

Tonight... I'm bad  
I'm all you have  
Follow me, my voice, my way  
Hey now, jump on board  
I am the doctor, put you back on course  
Now say, repeat after me... I'm not a saint!  
The devil's in my pocket!

Am I living cause I can't really tell  
Living in a prisoner's hell  
A nobody to somebody!

Tonight... I'm bad  
I'm all you have  
Follow me, my voice, my way  
Hey now, jump on board  
I am the doctor, put you back on course  
Now say, repeat after me... I'm not a saint!  
The devil's in my pocket!

Hear my plea, insanity  
The devil's here inside of me  
I'm heading down the rabbit hole and there's no way to stop it
