

See You Again

Those Damn Crows

(Oh, oh, oh, oh-oh)
(Oh, oh, oh, oh-oh)

I'm trying to make some sense
But there's no chance tonight
Yet, I'm struggling to find

Just how it came to this
What the hell did I miss?
Was it something I missed?

Living in a world of confusion
A constant state of delusion
How long must we wait, try and tolerate this wrong from right?

When will I see you again? (Oh, oh, oh, oh-oh)
When will I see you again? (Oh, oh, oh, oh-oh)

I can't save myself
Need you all here tonight
But there's no one in sight

I think I've lost my way
Now just wait for tomorrow
Hope that somebody's there

Living in a world of confusion
And you're my only solution
How long must we wait, try and tolerate this wrong from right?
Whoa-
whoa, I'm counting down the days 'til I see your face and visualize, yeah

Until I see you again (oh, oh, oh, oh-oh)
When will I see you again? (Oh, oh, oh, oh-oh)
When will I see you again? (Oh, oh, oh, oh-oh)
When will I see you again? (Oh, oh, oh, oh-oh)

Hard for you to understand
There's nobody else
You just can't be replaced

I can't save myself
Until I see you again
I can't heal myself
Until I see you again
I can't save myself
Until I see you again
I can't heal myself

When will I see you again? (I can't save myself)
When will I see you again? (I can't heal myself)
When will I see you again? (I can't save myself)
When will I see you again? (I can't heal myself)

When will I see you again?
