

Waiting For Me

Those Damn Crows

Cut the ties and take my hand
Footprints in the sand
Help me escape from this room
The smell of cheap perfume

I can tell you're waiting for me

Shelter me from all this harm
Craving for the calm
To forget what I've just seen
The nightmare is the dream
If I was a betting man
I can tell you're waiting for me

Here we go again
'Cause I wanna top this
How do I stop this?
Here we go again
I know when I see it
I can tell you're waiting for me

I can tell (I can tell, I can tell)
I can tell (I can tell, I can tell)
I can tell
I can tell
I can tell
I can tell you're waiting for me

Here we go again
'Cause I wanna top this
How do I stop this?
Here we go again
I know when I see it
I can tell you're waiting for me

I'm a problem out of hand
I'm a problem
Why can't you leave me alone? (I'm a problem out of hand)
I know that I see it (I'm a problem)
I can tell you're waiting for me
I'm a problem out of hand
I'm a problem
Why can't I leave me alone? (I'm a problem out of hand)
I know that you see it (I'm a problem)
These angels have no wings

I can tell you're waiting for me

I can tell you're waiting for me
(I can tell, I can tell, I can tell)
I can tell you're waiting for me
(I can tell, I can tell, I can tell)
I can tell you're waiting for me
I can tell, I can tell, I can tell
I can tell, I can tell, I can tell
