

Bumd

Those Darlins

I don't feel like talkin' tonight
Dirty glances outta sight
I'll keep it all inside of me
But it don't take a lot to see
B-U-M-D I'm bummed
B-U-M-D I'm bummed
Loop di loop and a wobble o
Cryptic inner battles show
I cross my I's and dot my t's
It don't take all that to see
B-U-M-D I'm bummed
B-U-M-D I'm bummed
Sleep's no good it makes me snore
Exercisin' makes me sore
Food tastes bad love ain't sweet
This has got the best of me
B-U-M-D I'm bummed
B-U-M-D I'm bummed
I need to find oh peace of mind
I need to find oh peace of mind
I need to find oh peace of mind
Ahhhhh
I ain't gonna search for it
I won't pay no less
For someone just to tell me
I'm B-U-M-D
B-U-M-D I'm bummed
B-U-M-D I'm bummed
