

Lonely Man

Those Poor Bastards

Time for some sad stuff honey
But don't cry for me no

Lonely man lonely man I am a lonely man
Lonely man lonely man I am so lonely man
When I say I don't have any friends I ain't foolin'
I am a lonely man

I drink in the evening alone
I talk to the four walls alone
I laugh at my madness alone
Always alone

Yeah and I go to the party alone
Then I stand at the party alone
I leave the party alone
Always alone

Lonely man lonely man I am a lonely man
Lonely man lonely man I am so lonely man
When I say I don't have any friends I ain't foolin'
I am a lonely man

I walk in the moonlight alone
I go to the movies alone
I sleep in the junkyard alone
Always alone

I listen to records alone
Oh I eat my dinner alone
I dread my future alone
Always alone

Lonely man lonely man I am a lonely man
Lonely man lonely man I am so lonely man
When I say I don't have any friends I ain't foolin'
I am a lonely man
Lonely man
