

## Loser's Prayer

**Those Poor Bastards**

Oh God oh God hear my prayer  
I'm ready to climb Heaven's stair  
I don't want to roam no more  
Everything's become a bore

Oh God oh God hear my call  
I just want to have a ball  
Throw these blessed blues away  
Celebrate the Holy Day

Who cares? So what? Big deal!  
Big deal! So what? Who cares?  
I don't want to be no square  
I don't want to be no square
