

Loser's Prayer

Those Poor Bastards

Oh God oh God hear my prayer
I'm ready to climb Heaven's stair
I don't want to roam no more
Everything's become a bore

Oh God oh God hear my call
I just want to have a ball
Throw these blessed blues away
Celebrate the Holy Day

Who cares? So what? Big deal!
Big deal! So what? Who cares?
I don't want to be no square
I don't want to be no square
