Excremental Magic

Thou Art Lord

Incarnations in the voice of a child Spells brewed in wizened fingertips Eyes implode and guts fountain, cranial terror of the invader

Twelve disciples erupt in flames The thirty air consumes the ashes Unleash predators avenging shadows pursued by barbaric serenades

Experimental magick
Blood of a new Christ
Whirring in isolation
vowing revengre on the cosmos

The moon commands the creation hatched under a lunar bane charged with universal melancholy Protozoic words slither from lips

A new product of Sodom greeting from the torture fed upon a graveyard erotica It's the eve of dead souls
