

Nine Steps To Hell

Thou Art Lord

Purification through sin
And wasted innocence
A tribute to malice
Completes the two of nine

Amoral debauchery
Dark desires unleashed
Dionysian salvation
Completes the four of nine

Nine steps to Hell

Bloodshed and murder
The killing of the soul
Absence of empathy
Completes the six of nine

A reign of tyranny
Pain and cruelty
The will to power
Completes the eight of nine

Nine steps to Hell
The point of no return
Nine steps to Hell
The rise of the Demon-Self

When you stare into the Abyss
And the Abyss stares back at you
No fear, no guilt, no repent
The nine of nine is complete
