

Scentless Apprentice

Thou

Like most babies smell like butter
His smell smelled like no other
He was born scentless and senseless
He was born a scentless apprentice

Hey, away
Go away
Go away

Every wet nurse refused to feed him
Electrolytes smell like semen
I promise not to sell your perfumed secrets
There are countless formulas for pressing flowers

Hey, away
Go away
Go away

I lie in the soil and fertilize mushrooms
Leaking out gas fumes are made into perfume
You can't fire me 'cause I quit
Throw me in the fire and I won't throw a fit

Hey, away
Go away
Go away
Go away
Go away
Go away
