

There There

Thou

All as if you were alone
Nobody left you, but you're always not better
It's unmistakable
I'm only here for understanding
You better
Hey, there there
You're not the least of us
Don't look at me like a defect
I'm just unlearning
Don't worry
Hey, there there
When in the sharpest hole, look for the rope that isn't burning
: start climbing
