All this old-ass cash on a youngin

I'm the shit, you need some plumbing

Trenches work just like Jumanji
Trenches work just like Jumanji
And most these fuck niggas ain't know nothin'
Most these fuck niggas ain't know nothin'
Most these fuck niggas ain't know nothin'
Most these fuck niggas ain't know nothin'
Give a fuck 'bout repercussions
Hundred band, thouxan band, ain't no question
Benjamin blue and Benjamin button
All this old-ass cash on a youngin
Benjamin blue and Benjamin button

Ain't shit else but 3400
Easter pink and an Easter bunny
Yeah, I see you sittin' on something
Okay, see you sittin' on something
Know I'm out here scheming on somethin'
Know we out here plottin' on something'
Gettin' that guap, ain't no discussion
Why you be bitching? Doing all that fussin'
I'm on go like push-to-start
Baby girl better not push my buttons
None of y'all better not push my buttons
Fuck nigga better not push my buttons
Trigger real close to my finger
Scoping shit, waitin' on Texas Rangers
Talkin that shit but you endangered
Shoot him and he won't even see where it came from
Came like a double-dash, got shit jumpin'
Run up a check, it's Forest Gump-ing
No pump fake, twelve-gauge get pumpin'
No strings, can't be no lil' Muppet
Goofy lil' boy, he look like a Muppet
Livin' my life to the fullest like fuck it
That's my partner, still can't trust him
That's my partner, I still can't trust him

Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
Livin' my life real fast like fuck it
