

Damned

ThouxanBanFauni

Darth fool how I came through like Uncle Luke
Three women, not to mention two in my condo room
I just want Obama views, I don't want that petty news
Never had to pay no dues, I ain't been overdue
Won't pay these dues with no vision, blindfold view
Avalanche, or rock slide with the Cuban juice
Tyrannosaurus Rex with turrets, gripping on the tool
Went to the 5 jean stores, then the gene pool

Bullshit, I can smell it coming, I can duck it too
Rambo, my clip won't jam though, brought my ammo
SAMO, paint it like SAMO, hella ham hoe
Damn bro, I'm so damned bro, I'm so damned bro
Fresh up out the water, Jumpman just a sandal
Dismantle, all you hating folks, I'm too blessed hoe
Holy clip, catch the holy spirit, catch the holy ghost
Always wanted more, so I had to do the fuckin' most
Damn bro, I'm so damned bro
Damn bro, I'm so damned bro
Damn bro, I'm so damned bro
Damn bro, I'm so-

I be ghost if that hoe be playing, you know what I'm on
When I'm gone, ain't no time for talking
I know money calling
Money walking, I be money talking, I be money flocking
Money juggin, maybe money jockin
I be money rocking
Throwin' cash, I be money mocking
You be money blocking
Hard knocking, banging down your door, heard your money poppin'
Jug you to a drought, pussy nigga saw my money problem
Road running, never gassed up, just need money mileage

Bullshit, I can smell it coming, I can duck it too
Rambo, my clip won't jam though, brought my ammo
SAMO, paint it like SAMO, hella ham hoe
Damn bro, I'm so damned bro, I'm so damned bro
Fresh up out the water, Jumpman just a sandal
Dismantle, all you hating folks, I'm too blessed hoe
Holy clip, catch the holy spirit, catch the holy ghost
Always wanted more, so I had to do the fuckin' most
Damn bro, I'm so damned bro
Damn bro, I'm so damned bro
Damn bro, I'm so damned bro
Damn bro, I'm so-
