

Fifty percent or more, I done saved that shit with GEICO
Niggas be talkin' 'bout opps and enemies, I ain't even got no r
ivals
Cannibalism, we eatin' your flesh and drinkin' your blood like
Bibles
Fuckin' her with no titles, I be late to my kids recitals, yeah
Niggas be tryna intrude and take all the food, we can't have no
fool niggas, yeah
Talkin' 'bout fair game, if you born in the skin I'm in, justic
e never been there
Never been there, ayy, never been there
Talkin' 'bout fair game, born in the skin I'm in, justice never
been there
Never been there, mm, never been there
Talkin' 'bout fair game, born in the skin I'm in, justice never
been there

Shout out my buddy and shout out my woe
All my partners down to roll
Some of my niggas I'll never see again because they took how lo
ng
Some of these girls I had to let go 'cause I know deep down she
really a ho
Keep my enemies close 'cause I make more bread with my foes
Karma's a bitch, the Reaper want one thing from me and that's m
y soul
Paid my ties, dues and tolls, niggas always say they want more
Made my bed and lie up in it, you reap what you sow, no rooms t
o go
Ain't no happy in the bando, boarded windows, everything closed
Standin' ain't up over here, we just up 'cause the dope gone
My thing beepin' on me, that's my money counter and my phone
Got a bird's eye view from my bachelor pad like a drone
I'ma have all the money in the world, but I'll still be alone
I got guap, my family love me more than they did before

'Fore, more than they did before
'Fore, before
'Fore, before, 'fore
I got guap, my family love me more than they did before
Before, before
Before, before
