Driving bat in a two seater
Aye that boy he fly like Peter

No meet and greet, but nice to meet ya
Told that little baby, hasta la vista
My momma say I'm a big leader, but I be pouring fours of lean in liters
Bitch you so dramatic I think you should work theater
Bitches so predictable, I like when I had read her
Aye, bitch you know these deacons don't believe in me, cause I believe in me
I don't need no wing man hoe I got my wings with me
Duct tape a nigga, wrap a nigga up, got string with me
Jumpin out the car with all my bling, my pinky ring sing
Ay I'm bout' my business, ay I'm bout' my business, ay I'm bout' my business

And I just got out from in da detention
And I was down on my days

And this one for all charlotte niggas out getting it
And this one for all my young niggas out getting it
