

No Code

ThouxanBanFauni

Bans (Woo)

Perry Ellis (Perry Ellis), and Chanel (Chanel, Chanel)
Love how that fabric feel, how that fabric feel (How it feel)
She be tryna leave with clothes, told that ho to chill (Chill)
Remember juggin' scrap metal, David Copperfield (Copperfield)
I was with lil' Bravo runnin' missions in the field (In the field)
Remember I had hit a lick and shit had hit left field (Left field)
Take your safe, break your safe, and we don't need no code (Fuck)
Taliban outlaws, we don't follow codes (Code)

People say anything just to fuck you over (Fuck you over)
We is not no damn gangsters, we some fuckin' soldiers (Soldiers)
You niggas not even food, you more like leftovers (Food)
We delete your shadows, every day October (October)
She had wrote a death note called it a love letter (Love letter)
Sincerely, you knew better, then you do better (Woo, woo)
Lay down the law, yeah, 'cause I pipe better (Woo, woo)
And you new niggas so cheesy, call that nigga Chester (Woo, woo, woo, woo, lil' bitch)
Show your true colors, you pussy Sylvester (Lil' bitch)
Pull out the AC diamonds and change the weather (Bans, bans, bans, bans)
Think that you're smart, that you're clever
I'ma play along with you then I pull the lever (Buh, buh)

Perry Ellis (Perry Ellis), and Chanel (Chanel, Chanel)
Love how that fabric feel, how that fabric feel (How it feel)
She be tryna leave with clothes, told that ho to chill (Chill)
Remember juggin' scrap metal, David Copperfield (Copperfield)
I was with lil' Bravo runnin' missions in the field (In the field)
Remember I had hit a lick and shit had hit left field (Left field)
Take your safe, break your safe, and we don't need no code (Fuck)
Taliban outlaws, we don't follow codes (Code)
