Sometimes it get me in trouble  
Trouble, say I'm they double  
(Neilaworld)  
Cause' I love em'  
Trust em'  
At least wit won't be for nothin'  
(Gren8 Beats)

I say whatever's on my mind, sometimes it get me in trouble  
Niggas I want well for, got the nerve to say I'm they double  
I blow a bag up on my niggas, that's just cause' I love em'  
If I die right now at least it won't be for nothin'  
I say whatever's on my mind, sometimes it get me in trouble  
Niggas I want well for, got the nerve to say I'm they double  
I blow a bag up on my niggas, that's just cause' I love em'  
If I die right now at least it won't be for nothin'

Ten hundred round drums, pussy that's my drum kit  
A thousand shots fired, pussy boy know we dumpin'  
Know we dumpin' just know we dumpin' just know we dumpin'  
bold or something  
Northside of Atlanta, I'm coming down Spaghetti Junction  
function cause' they know I'll get to gunnin'  
That's not even how I want it, wanna' get more lit than a summi  
t  
It ain't even have to come to this but niggas ain't even on my  
progression  
If they could they turned a nigga to burn down my whole session  
Aye for real though, you don't gotta' lie to me, I just hope yo  
u get me (I just hope you get me)  
I won battles, I lost battles but still words we speaking  
Rob every nigga who call me broke, shit how I used to be feelin  
g  
How I used to be feeling, rob yo' ass now get that feeling

I say whatever's on my mind, sometimes it get me in trouble  
Niggas I want well for, got the nerve to say I'm they double  
I blow a bag up on my niggas, that's just cause' I love em'
