Shout-out RXLVND, shout-out Jay, shout-out Brad

Shout-out Brad, shout-out Rxnni

Going, really going like Interstellar for real right now

Every day goin' around the world, around and 'round and 'round

Teenage Mutant Ninja Turtle, baby, come on, cowabunga

Finesse these lil' niggas, no cap, no jumper

All these straps in this bitch, this ain't no trap, it's a bunker

Gave a cougar ho Black Panther, Killmonger

All the paper sitting in my bank account, call me Gunther

I can't chase a bitch, come on, baby, I'm a hunter

I'm with Alice, we off Alice, walked around the world and yonder

My thot-line bling, she a fiend for the lover

Racks coming in, gotta use a separate number

Know one thing 'bout Fauni, he about his numbers

Had the sketch did, they wasn't talkin' 'bout no numbers

Y'all ain't talking bout shit, had to switch my fucking number

All these phones on me and I still don't want your number

Heard you need some numbers, give me numbers for them numbers

My buddy pieces stay hittin' hard with 'em numbers

Give me numbers for them numbers

Give me numbers for them numbers

Give me numbers for them numbers

Numbers for them numbers

Give me numbers for them numbers

Give me numbers for them numbers

Numbers for them numbers

Give me numbers for them numbers

Give me numbers for them numbers

Numbers for them numbers

Give me numbers for them numbers

Numbers for them numbers

Give me numbers for them numbers

Numbers for them numbers

Give me numbers for them numbers

Lean, drank, juice, feeling number, feeling number

Blowin' tabs off a tab, feeling number, feeling number

Clutchin' thirty off a thirty, feeling number, feeling numb

Feeling number, feeling numb

Perky, perky, perky, feeling number, feeling numb

X, X, X, feeling number, feeling numb

(Feeling number, feeling numb)

Come clean with' ya, lately, I ain't really feelin' nothin'

Niggas either talk too much or complain about nothin'

Bitch act like she in a rush but she going home in nothin'

TTB take his pussy, leave your ass for nothin'

Bands, yeah, put that on it
