

TENNESSEE TITAN

ThouxanBanFauni

(I love The Hills)

Uh, uh

Uh, uh

Uh, uh

Uh, yeah, yeah

Yeah, straight up

Yeah, bands, bands, yeah

Real Chatt', Tennessee Titan

Real Chatt', Tennessee Titan

Nah forreal

Real Chatt', Tennessee Titan

Yeah, yeah, yeah

Real Chatt', Tennessee Titan

Real Chatt', Tennessee Titan

Real Chatt', Tennessee Titan

I 'mma buy a tank, no limit

NASCAR racin', no license

Brand new Hermès from Venice

Chops that hit like trident

Enemies say I'm a menace

Drop a pin, dead like lightning

We could make racket, no tennis

Sled, sled, in the snow, I'm slidin'

Lemonade, yellow

In that Hummer, I pilot

AP brighter than a Breitling

This year I'm goin for the Heisman

Yeah I'm Atlanta's finest

Want smoke, pussy boy don't try it

Hit Icebox just for the climate

slurrin' my words

Joe Biden

Off White hit like linemen

Tim Tebow, linemen

Off White hit like linemen

Red, red clouds

Xanny, baby, baby

Purple, naked lady

Drumroll please

Fifty hollow rounds

Checker, chess

Diamonds black 'n white

Muddy soda brown

Don't drown (Tec)

Big or lil' hype, either way I take 'em down

Lay 'em down, spray 'em down, we gon' spray 'em down

Choppa turn this ho to a ghost town

Choppa turn this ho into a ghost town

Choppa turn this ho to a ghost town

Choppa turn this ho to a ghost town

Bodies hit the floor, six below the ground

Rev up, do the race, hit the gas

See 12, get lost, do the chase

Drift right then hit that drag

Might giddy up, 458

group by the case

Throwin' up bandanas and flags
lashes off her face
Nuttin' up on her ass
Hangin' out tinted window
Five percent, can't see through that, in though
Cuttin' 'em off in traffic
Nigga like me feel like my
Opps get treated like pimples
Nigga up all night, Jimmy Kimmel
Mud, lick, hit
Gold plated FN
Five-seven, big stick
AA-12 hit
Y'all makin' noise? I ain't hearin' shit
Y'all makin' noise? Nigga I ain't hearin' shit

I ain't hearin' shit
Shit, I ain't hear shit
Y'all makin' noise? Nigga I ain't hear shit
