

Buried Alive

Threat Signal

Don't cover my eyes with your secrecy
I have a right to know, what you plan for this world
Decisions altering serenity
I fear the unknown
Can we be disposed?

Don't tie the noose around my neck
Dislocate society, killing all of my respect
Don't carve X's in my eyes
Hide me from the truth I seek
Feed me lies upon more lies

I will not be the one to ignore what they've done
Don't bury me
I will not run and hide, they'll find the truth inside
Don't bury me

"The very word secrecy is repugnant in a free and open society,
and we are as a
people, inherently and historically, apposed to secret societie
s, to secret
oaths, and to secret proceedings. The government at all levels
must meet its
obligation to provide you with the fullest possible information
. With your
help, man will be what he was born to be, free and independent.
"

[John F. Kennedy]
