How can you have faith in a god
That can not even control creation
How can he lead you to salvation
There is no hope in chaos only
Welcome to the other side of reality
And this is your eternity (eternity)

The end of the world I can see it comin' So I pack my nine millimeters and I start Huntin' For these niggas that talk shit Man these hoes will never quit until ya Leave'em hangin' from a tree or thrown In a ditch Which one of you Niggas think you really got them guts To walk up to his house, knock on his door Let'em feel the buck shots of a 12 gauge Backed up by an A-K Fore you go to bed at night you bitches Better kneel and pray Cause when it's business We takin' care our business I'm clappin' on any of a witness Or any who wanna get in it Man this shit is real Not them stories you put in your raps Not even that bullshit you talk behind A nigga back Let me make it simple and plain Run up and you'll get your brains-blown To the side of the curb with that plastic Thang-thang nina glock 19 With the 20 clip You don't wanna fuck with this You don't wanna fuck with this

Therefore all you clicks, and you clans And you crews Fuckin', fuckin' with this click And we gon' bring it to your ass

Man for what any crime I swear I'll die
Before I do some time
Bitch the Koopsta massive when I murder
With the muthafuckin' plastic nine
Corpses that we tortured in the chevy
Voices won't let me rest
Could this be the end yet
Or a message sent from Satan (nigga omens)
They open the gates of horror
For them horror lords
We tortured the cases who arrested
The faces of triple six
That which is sorcerer
(Kill that bitch, chop that bitch)

I'm sick of that burning inside of my Cradle I'm wishin' that He could just come Yet This nina gots no trigger so I'm clickin' Real quick like a serial killa mon' Straight from that cell for real'a I'll buck you dead my nigga And it's a shame when I dropped'em off The break mane In return I got no thangs I went in dark room fool Koop be jackin' For their thang Everytime I see's you slippin' I go into a my Mac-10 (Mac-10) Victims of my devil's playground Come burn with me until the end

Or you might get caught on a crucifix

Totin' the dead body over my shoulder And sure to break out with my shovel Or let evil look forward And I start to dig up and toss in the body And give up more money as bank of the sore Three seperate bodies hacked up with a axe And I think a big sack Been chewed up by rats I'm just writing these poems They bring to renown cause a triple six Night to rescore Split rists with nee-dles in my fists And amidst', thy clicks, of tricks No I'm not a Christian But I'm mentally ill and I don't Understand all the reasons Well I think it's killin' season And neither does my schitzophrenic friends So therefore nigga due to my mental Defocalty Scarecrow is only entertained By helping enemies bleed Let all the bodies soak in all the blood Let's go smoke with that chick with no pity I bloody cut chop up they shell goes in 20 gauge Finally thinkin' like I was fright-nit-ting I'm havin'no thoughts Of the lives I've done lost When I'm blazin' that stupid gauge fire Cause I'm havin' a halloween slaughter It turned my gun focal Just thank Micheal Myers No mutilation's paralyzations Got no patience when I'm chasin' Down a patient Tryin' to thwart assassination

I'm on a cross loose up off these
Cut me free (cut me free)
I'l draw your portrait if you put me
Down on my feet (down on my feet)
My cross turns upside down
And finally I'm loose
I flip the land and released up of some

Sinners Scarecrow and the Juice I look to the sky and all I could say was "Well finally it's on again" No lord could stop us now Cause the demons reborn again My praise The first power found me So I could never cower Without a mind fool murder bust and bounce I'll tell you half about this antichrist Look into my eyes tell me what you see The demonic man about scarecrowism Saints can you feel me I try for years and years Sinkin' this one day of depression Stormy weather and church bells Ringin' to the election of a new-follower Follow me into the trees Watch me rob Adam And watch me rape Eve In this eve-much destruction Most will probably wonder With Dj Paul, the Triple Six click And Hell take'em under

Bitch, now never
