I ran up in his spot, with the glock, his jaw dropped
He knew I came for money and the weight I heard he got
I cracked him in the middle of his face with the tome
Tied his ass up and ransacked his home
I had to rep his bitch cause the hoe was stacked
I fucked her from the back, with my gun to her back
I left up out his crib, with dolla and purple hat
But eventually got caught 'cause of a dick hair

Don't let me find out that you got that dope
Don't let me find out that you snitching on folks
Don't let me find out that you tryna get rich
Ridding round' the fuckin' hood and making fun of niggaz shit
Don't let me find out, feds tap a nigga phone
Don't let me find out, 'cause if I find out its on
Don't let me find out that niggaz selling purple drank
Cuz I'ma rob all dem fools, like I robbed 20 banks
