

Don't Wanna Go Home Tonight

Three Days Grace

Seems like every day is always the same now
Going through the motions, how 'bout you? (How 'bout you?)
Though I got no reasons, I can't complain now
For the comfort we gain is the chaos we lose

I've been thinking 'bout the good times
When the story was still ours to write
And all the stupid shit we'd do
I'm lucky I'm not dead after hanging 'round you
Always searching for the wild ride
Didn't matter where we went, we'd just drive
And get high and I, I don't wanna go home tonight

(I don't wanna go home tonight)

Back in the day, we'd try to find a way out
Of the one-light town where I met you (Where I met you)
Got no reasons, I can't complain now
For the comfort we gain is the chaos we lose

I've been thinking 'bout the good times
When the story was still ours to write
And all the stupid shit we'd do
I'm lucky I'm not dead after hanging 'round you
Always searching for the wild ride
Didn't matter where we went, we'd just drive
Get high and I, I don't wanna go home tonight

I miss the thrill, the rush of those rides
Nothing to do, but see the sunrise
I think of you, but only sometimes, oh
I miss the thrill, the rush of those nights
I think of you, but only sometimes, oh

I've been thinking 'bout the good times
When the story was still ours to write
And all the stupid shit we'd do
I'm lucky I'm not dead after hanging 'round you
Always searching for the wild ride
Didn't matter where we went, we'd just drive
And get high and I, I don't wanna go home tonight

(I don't wanna go home tonight)
