

# Get Out Alive

Three Days Grace

No time for goodbye he said  
As he faded away  
Don't put your life in someone's hands  
Their bound to steal it away  
Don't hide your mistakes  
'Cause they'll find you, burn you  
Then he said

If you want to get out alive  
Run for your life  
If you want to get out alive  
Run for your life

This is my last time she said  
As she faded away  
It's hard to imagine  
But one day you'll end up like me  
Then she said

If you want to get out alive  
Run for your life  
If you want to get out alive  
Run for your life  
If you want to get out alive (If you want to get out alive)  
Run for your life (Life)  
If you want to get out alive (If you want to get out alive)  
Run for your life

If I stay it won't be long  
Till I'm burning on the inside  
If I go I can only hope  
That I make it to the other side  
If you want to get out alive  
Run for your life  
If you want to get out alive  
Hold on for

If you want to get out alive (If you want to get out alive)  
Run for your life  
If you want to get out alive (If you want to get out alive)  
Hold on for:

If I stay, it won't be long  
Till I'm burning on the inside  
If I go I can only hope  
That I make it to the other side  
If I stay, it won't be long  
Till I'm burning on the inside  
If I go, if I go

Burning on the inside  
Burning on the inside  
Burning on the inside
