Gone Forever

Three Days Grace

Hm
Don't know what's going on
A **Em**
Don't know what went wrong
G
Feels like a hundred years I
D **A**
Still can't believe you're gone
Hm
So I'll stay up all night
A **Em**
With these bloodshot eyes
While these walls surround me with the story of our life
```
D--4---5---|
A--4---5---|
E--2---3---|
```

GDAEm
R:
I feel so much better,Now that you're gone forever
```
e|--------x-----------------------------------------------------------------
B|--------x-----------------7-----------------------------------------------
G|-4------x-----------------7-----------------------------------------------
D|-4------x--5---------------5----------------7-----------------------------
A|-2------x--5-------------------------------7-----------------------------
E|-------x--3-------------------------------5-----------------------------
```

I tell myself that I don't miss you at all
```
e|--------x-----------------------------------------------------------------
B|--------x-----------------------------------------------------------------
G|-4------x-----------------7-----------------------------------------------
D|-4------x----5------------7-------------------4-----------------------------
A|-2------x----5------------5-------------------4-----------------------------
E|--------x----3-------------------------------2-----------------------------
```

I'm not lying, denying that I feel so much better
```
e|-----------------------------------------------------------------------------
B|-----------------------------------------------------------------------------
G|--4-------------------------7 ---------------------------------------------
D|--4---------------5----------7-------------7-----------------------------
A|--2---------------5----------5-------------7-----------------------------
E|------------------3-----------------------5-----------------------------
```

Now,that you're gone forever
```
e|-----------------------------------------------------------------------------
B|-----------------------------------------------------------------------------
G|-----------------------------------------------------------------------------
D|---5---------------------------------------4------5---------------------
A|---5---------------------------------------4------5---------------------
E|---3---------------------------------------2------3---------------------
```

Hm
Now things are coming clear
A **Em**
And I don't need you here
G

```
And in this world around me
  D      A
I'm glad you disappeared
Hm
So I'll stay out all night
A                      Em
Get drunk and f*** and fight
G                          D
Until the morning comes I'll
             A
Forget about our life

R:

First time you screamed at me,I should have made you leave
e|-------------------------------------------------------------------------
B|-------------------------------------------------------------------------
G|-0-----------------------------------4---------------------------------
D|-2-----------------------------------2---------------------------------
A|-2-----------------------------------2---------------------------------
E|-0-------------------------------------------------------------------------

I should have known it could be so much better
e|-------------------------------------------------------------------------
B|-------------------------------------------------------------------------
G|-------------------------------7-----------------------------------------
D|-5-----------------------------7-------7-------------------------------
A|-5-----------------------------5-------7-------------------------------
E|-3-----------------------------------5---------------------------------

I hope you're missing me,I hope I've made you see,That I'm gone forever
e|-------------------------------------------------------------------------
B|-------------------------------------------------------------------------
G|-0-------------------------4-------------------------------------------
D|-2-------------------------2-------------------5---------4------5------
A|-2-------------------------2-------------------5---------4------5------
E|-0-----------------------------------------------3---------2------3------

Hm
Now things are coming clear
A                     Em
And I don't need you here
G
And in this world around me
  D      A
I'm glad you disappeared

R:
And now you're gone forever
And now you're gone forever
```
