So Called Life

Three Days Grace

Can't laugh, can't cry, can't live, can't die
Can't do anything anymore
Can't love, can't breath, can't talk, can't sleep
But I can't seem to stay awake anymore

What a time to be alive
Such a waste of fucking time

Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life
Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life

Feels like I wanna jump
Wanna scream, wanna run
Wanna fucking put a chainsaw through the wall
Feels like I'm livin' in a world where everybody's
All for none and none for all

What a time to be alive
Such a waste of fucking time

Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life
Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life

What a time to be alive
What a time to be alive
What a time to be alive
Such a waste of fucking time

Feels like I wanna jump
Wanna scream, wanna run
Wanna fucking put a chainsaw through the wall
Oh gimme something
Oh gimme something

Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life
Oh, gimme something to take the edge off
Something to kick the night off
Something to keep my mind off
This so called life
