

## Strange Days

### Three Days Grace

Raise a glass to the end of it all  
Who's to blame when it's everyone's fault?  
And we celebrate our way through dangerous times  
Strange days are comin' for us  
Say goodbye to the way that it was  
And we celebrate our way through dangerous times

I'm livin' in the strange days  
I'm livin' in a world that I don't know  
Get ready for the dark age  
I'm livin' in the strange days so  
Say goodbye to the silence  
We can dance to the sirens  
Strange days here we come  
Strange days here we come  
Strange days here we come

Never know when it's all goin' down  
All I have is right here and now  
So we'll make this moment last forever  
And if we go we go together

I'm livin' in the strange days  
I'm livin' in a world that I don't know  
Get ready for the dark age  
I'm livin' in the strange days so  
Say goodbye to the silence  
We can dance to the sirens  
Strange days here we come  
Strange days here we come  
Strange days here we come

One of these nights  
I'll take you down to the fire  
With red in our eyes  
We're gonna dance to the sirens  
Say goodbye to the silence

(I'm livin' the strange days)

I'm livin' in the strange days so  
Say goodbye to the silence  
We can dance to the sirens  
Strange days here we come  
Strange days here we come  
Strange days here we come
