

## Mellow Down

### Three Dog Night

Well, I'm so full of memories  
Of friends that I once knew  
How they treated me when I was young  
What to do? Shoot 'em down  
I soon found that was wrong  
Though my revenge had tasted sweet  
It couldn't last for long

Think I have to mellow down  
Me and my baby goin' 'round and 'round  
Think I have to mellow down  
Because me and my baby goin' 'round and 'round  
Dum-dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Because me and my baby goin' 'round and 'round

I tried not to worry  
And I tried not to care  
'Cause I know we ain't goin' nowhere  
As I watch the time go by  
I just cannot pretend  
To laugh the tears that money cries  
While looking for a friend

Think I have to mellow down  
Me and my baby goin' 'round and 'round  
Think I have to mellow down  
Because me and my baby goin' 'round and 'round  
Dum-dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Because me and my baby goin' 'round and 'round

Think I have to mellow down  
Me and my baby goin' 'round and 'round  
Think I have to mellow down  
Because me and my baby goin' 'round and 'round  
Dum-dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Dum-a-di-de-di-dum-dum  
Because me and my baby goin' 'round and 'round

Think I have to mellow down  
Me and my baby goin' 'round and 'round  
Think I have to mellow down  
Because me and my baby goin' 'round and 'round...
