

## Woman

### Three Dog Night

Carry me away  
I know your angel eyes can see through me  
Carry me away  
Far from the love you give so generously  
So generously  
Woman, woman  
I got a burning heart  
I need to call  
And tell you that's its you that I love  
I've got a burning heart  
I need to tell you that's its you that I love  
I've got a burning heart  
I need to tell you that I'll never get enough, yeah  
Never, never, never, never, never, never, never, never get enough  
Woman

Woman, I know you understand  
The way that I feel, feel  
Can't you hear me?  
I'm a callin' your name  
I want to make love to you  
Lord, oh Lord, I want to hold you so much  
Let me feel all about ya  
Woman and I got a woman  
Let me make love to you  
Woman I love ya  
Woman Oh no, no, no, no  
Woman Oh, no  
Woman (carry me away, carry me away)  
Woman, carry me away
