

# The Dark

Thrice

You try and keep me out of sight  
You try and keep me out of sight and out of mind  
Out of mind

You try and keep me from the light  
You try and keep me from the light, but I know it's mine  
I know it's mine

You're rigging the game  
You're part of the system  
It shows in the way  
That you never listen when I speak  
I'm not gonna wait  
I've made my decision

And I'm not gonna sit in the dark anymore  
No I'm not gonna sit in the dark anymore

You're always telling me I'm not  
You're always telling me I'm not, not enough  
But I'm enough

You're always turning back the clock  
You're always turning back the clock, but time is up  
Time is up

You're rigging the game  
You're part of the system  
It shows in the way  
That you never listen when I speak  
I'm not gonna wait  
I've made my decision

And I'm not gonna sit in the dark anymore  
No I'm not gonna sit in the dark anymore

We've taken our knocks  
We're not gonna take them anymore  
We're not gonna stop  
Cause we've seen a world worth fighting for  
Ready or not  
Together we're kicking down the door

And we're not gonna sit in the dark anymore  
No we're not gonna sit in the dark anymore
