Discipline

Throbbing Gristle

Discipline, discipline
We need some discipline here

Discipline, some discipline
We need some discipline in here
We need some discipline in here

Discipline, got discipline
I want some discipline in here

Some discipline, discipline
I want some discipline in here

Are you listening, guys?
Are you ready now?
Are you listening, more or less?
Are you ready now?

I want some discipline in here
I want some discipline in here
Do what I say, do what I say
I want some discipline

Discipline

I want some discipline in here

Are you listening, boys?
