

Five Knuckle Snuffle

Throbbing Gristle

Even more fed up
You're gonna get fed up
You're gonna be fed up
You're gonna see fed up
You're gonna get fed up
Fed Up Fed Up Fed Up
You're gonna get set up
You're gonna go fed up
You're gonna go bed up
You're gonna go sped up
You're gonna be said up
You're gonna get set up
A set up a fed up a set up
I said what a get up
Am fed up Am fed up Am fed up
Am fuckin a fed up
Am fucking my bed up
Amphetamine
Am fucking amphetamine
I've had a lobotomy
A botom a botomy
Am always a victim
Am tired of the victim
A time of the victor
A try to assess me
A try to possess me
Assess possess amphetamine
A friend of mine
Here you are
We're here are two
Are you
You over there
You're the one I am
I am that lazy boy all over take some more I need some sleep
Just an animal a twistedup animal I want to be left alone
I want that not to assess me not to possess me not to attack me
Not to distract me I even get fed up
Fed up
Don't do this I do this All my friends do this Am fed up
Am fed up I put my feet up I wish I go to sleep
Fed up fed up fed up
Deaded Deaded
Empty bottles makin noise
Alcohol
I can see you fed up
In the corner asking
Gonna be set up all night set up
Fed up
Getting your way with a five pound note
