

## Goat Archangels of Lust

Throneum

Phallus - the source of hell  
Burning sperm, sulphur taste  
On throne of highest beast  
Feast in sacrificial menstrual blood

Unleashed Ones from beyond  
Descending into nothingness  
Conversion of flesh - from fire to ashes  
Nothing or desire, pleasure of death

Goat Archangels of Lust  
Goat Archangels of Creation  
Ancient carnal worship  
Blasphemous spiritual denial

Ritual of Gehenna's goats  
Naked whores dance  
Blood, more blood has to be shed  
And drunk by goats
