

## Organic Death Temple MMXVI - VI

Throneum

.-VI

convective heat transfer of emotion  
prediction of the great thirst for fulfilment  
craving for pride  
each from is mortal

one second, two, three  
we wasn't able to stop to interpenetrate ourselves  
like stars and plants  
that run around the centrum  
the black hole

processions, speeches, blessings, executions

absolute from of Aristotle  
is a humanized god able to shed blood?  
son of goat, litter of Sheol  
an accidental coincidence of desires  
lowdawn lie of matter  
licentious tsarina prostrated herself
