

## Wizzard's Testimony

Throneum

my whore is my witch and my altar  
her womb is my cup  
her body is my food  
this is my testimony  
i am the flesh wizard  
to slave and torture  
i am the sex wizard  
to worship the witch  
i am the devil's wizard  
to possess her soul  
i am the death's wizard  
to rule her life  
hordes of mutilated lambs  
groan psalms and rot  
but here i am the witch and the wizard  
and we are the only church
