

## Wake Up

## Through Fire

Everybody wake up

I'm hungry for truth  
And I'm thirsty for blood  
I don't know about you  
But I've had enough

I won't back down  
I won't bow down  
I won't follow the ones who are hellbound

Everybody wake up  
Are you living your dream  
Or sleep walking in a nightmare  
Wake up  
Cause you'll never see  
Until you open your eyes

I won't get lost in the shadows  
I know my way to the light  
Demons battle the angels  
Two worlds collide

I won't back down  
I won't bow down  
I won't follow the ones who are hellbound

Everybody wake up  
Are you living your dream  
Or sleep walking in a nightmare  
Wake up  
Cause you'll never see  
Until you open your eyes

Open you eyes  
Are you dead or alive  
I'm alive

Everybody...

Everybody wake up  
Are you living your dream  
Or sleep walking in a nightmare  
Wake up  
Cause you'll never see  
Until you open your eyes

Wake up  
Everybody wake up  
Everybody wake up  
Cause you'll never see  
Until you open your eyes
