

Skeletons

Throw The Fight

I feel like running away and hiding out from the truth
I never dreamed we would end up like this
Lying and cheating, getting high for no reason
The thought of you makes me so sick

Tell me I'm not alone
In this city that never sleeps
All the voices in my head
Scream 'you're never good enough'
Tell me I'm not alone
In this city that never sleeps
All my friends are skeletons
Marching to the beat of death

I feel like half of a man, one step closer to death
But I still can't believe that you tried
To smother me with your pain when you needed some help
I was there when you OD'd and died
I was all alone when the needles took your soul

Tell me I'm not alone
In this city that never sleeps
All the voices in my head
Scream 'you're never good enough'
Tell me I'm not alone
In this city that never sleeps
All my friends are skeletons
Marching to the beat of death

Am I giving up?
Am I letting go?
Am I giving up on us?

Tell me I'm not alone
In this city that never sleeps
All the voices in my head
Scream 'you're never good enough'
Tell me I'm not alone
In this city that never sleeps
All the voices in my head
Scream 'you're never good enough'

Tell me I'm not alone
In this city that never sleeps
All the voices in my head
Scream 'you're never good enough'
Tell me I'm not alone
In this city that never sleeps
All my friends are skeletons
Marching to the beat of death

All the voices in my head
Scream 'you're never good enough'
Am I good enough?
