

Declare Your War

Throwdown

this is a war. so you've gotta stay strong and rise above. and never let the motherfuckers tear you away from what you love. gotta fight back and reclaim what's truly yours. take revenge on the world and declare your fucking war. your war. stay gold. stay true to yourself and your friends and never let go. you want a piece of my fucking time? well back up and back off. get in back of the line. you want a piece of my fucking mind? well fuck you. fuck you. stay gold. stay true to yourself and your friends and never let go. you want a piece of my fucking time? well back up and back off. get in back of the line. you want a piece of my fuckin mind? well fuck you. stay gold. stay true to yourself and your friends and never let go. never let go.
