

Dark Blue

Throwing Muses

If you were a sore loser
I'd be a better dreamer
And if I were a better dreamer
You'd be a dream come true
Dark blue

If I were under you
I'd be underwater
And lighting matches under water
I found you
Dark blue

Coming down
Coming down, coming down
Coming down, coming down
(Coming down, coming down, coming down, coming down)
(Coming down, coming down, coming down)
Coming down

Coming down, sleeping in Reykjavik

I'm dreaming about Arabella Station
And you can shout about what coming down, I cried about
A freak suspended animation
A freak suspended animation

Coming down
Coming down, coming down
Coming down, coming down
(Coming down, coming down, coming down, coming down)
(Coming down, coming down, coming down)
Coming down
Violet chrysanthemum
Violated carnation
Violet chrysanthemum
Violated carnation
Dark blue
Dark blue
Dark blue
