

# I'm Alive

Throwing Muses

I'm watching  
I'm only watching trash  
I want to eat it wear it be it  
Don't make me  
Don't make me sleep  
The ache inside this time it cuts too deep  
Catch the blood and cut the water  
I'm alive  
If you won't get your hands that dirty, what's inside?  
Don't take me  
Don't take my heat  
The ache inside this time it makes me bleed  
Catch the blood and cut the water  
I'm alive  
Fan your flame and can your heat I make it mine
